

### Numeracy and Maths:

- ☺ Find out the length of Route 66 in miles or Kilometres. Find the longest road that goes through continental Europe. Which of the two is longest and what is the difference in length?
- ☺ Compare the population of London with the population of the States of North America

### Science:

- ☺ Research the circulatory system and write a non-chronological report about its functions.
- ☺ Create a skeleton image out of art and craft materials—use your imagination!

### PSHE/R.E

- ☺ Create a poster of 'You'. On the one side write about all of the things you are good at and on the other side the things you would like to be better at.
- ☺ Create a picture of an object you would find in a church. Write about it. You may need to research. BBC Bitesize is good for this!

### Out and About:

- ☺ Have a look at road signs around our area. How do they look the same or different to the signs along Route 66.

## Homework Grid

### Year 4: Route 66

### Health and Wellbeing:

- ☺ Take a walk and do some mindful listening—what sounds did you hear?
- ☺ Practise some mindfulness exercises at home such as counting your breaths in a minute
- ☺ Take part in some Cosmic Yoga <https://www.cosmickids.com/> or socially distanced PE games at home <https://www.youtube.com/watch?v=GigWW3WP3->

### Literacy and English:

- ☺ Write a description of one of the destinations along Route 66.
- ☺ Write a diary entry of a day, imagining you are on a road trip on Route 66. What did you experience on your journey.

### Art and DT:

- ☺ Create a model of a famous landmark along the Route 66
- ☺ Create an image of a typical North American animal. It can be a drawing, painting, print or photograph.

### Geography and History

- ☺ Draw a map of North America and a map of Europe. Add famous landmarks to your maps.
- ☺ Imagine you are planning a trip through North America. Draw the route you might take based on the sights you wish to see.
