## Statement of intent

At Deanwood Primary School, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection and safeguarding.

This policy aims to: -

- Minimise the disruption to pupils' education and the delivery of the curriculum
- Ensure provision is in place so that all pupils have access to high quality learning resources
- Protect pupils from the risks associated with using devices connected to the internet
- Ensure staff, parent, and pupil data remains secure and is not lost or misused
- Ensure robust safeguarding measures continue to be in effect during the period of remote learning
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy and supported during periods of remote learning.

### 3. **Resources**

The school will accept a range of different teaching methods during remote learning to help explain concepts and address misconceptions easily. For the purpose of providing remote learning, the school may make use of: -

- Work booklets
- Email
- Educational websites
- Reading tasks
- Oak National Academy
- Teams meetings

Teachers will review the DfE's list of online education resources and utilise these tools as necessary, in addition to existing resources.

Reasonable adjustments will be made to ensure that all pupils have access to the resources needed for effective remote learning.

Teachers will ensure the programmes chosen for online learning have a range of accessibility features, eg: voice-to-text conversion, to support pupils with SEND.

Lesson plans will be adapted to ensure that the curriculum remains fully accessible and inclusive via remote learning.

The school will review the resources pupils have access to and adapt learning to account for all pupils needs by using a range of different formats, eg: providing work on PDFs which can easily be printed from a mobile device.

Work packs will be made available for pupils who do not have access to a printer – these packs can be collected from school.

Teaching staff will liaise with the SENCo and other relevant members of staff to ensure all pupils remain fully supported for the duration of the remote learning period.

The SENCo will arrange additional support for pupils with SEND which will be unique to the individual's needs, eg: via weekly phone calls.

Any issues with remote learning resources will be reported as soon as possible to the relevant member of staff.

Pupils will be required to use their own or family-owned equipment to access remote learning resources.

For pupils who cannot access digital devices at home, the school will, where possible, apply for technology support through the Trust.

Pupils and parents will be required to maintain the upkeep of any equipment they use to access remote learning resources.

Teaching staff will oversee academic progression for the duration of the remote learning period and will mark and provide feedback on work in line with section 7 of this policy.

The arrangements for any Teams Meetings, eg: webinars, will be communicated via email no later than one day before the allotted time and kept to a reasonable length.

The IT Support Company are not responsible for providing technical support for equipment that is not owned by the school.

### **Food provision**

The school will signpost parents via letter and/or email towards additional support for ensuring their children continue to receive the food they need, eg: food banks.

Where applicable, the school may provide the following provision for pupils who receive FSM: -

- Making food hampers available for delivery or collection
- Providing vouchers to families

### **Costs and expenses**

The school will not contribute to any household expenses incurred while pupils learn remotely, eg heating, lighting or council tax.

The school will not reimburse any costs for travel between pupils' homes and the school premises.

The school will not reimburse any costs for childcare.

## **4. Online safety**

This section of the policy will be enacted in conjunction with the school's Online Safety Policy.

Where possible, all interactions will be textual and public.

All staff and pupils using video communication must: -

- Communicate in groups – one-to-one sessions are not permitted
- Wear suitable clothing – this includes others in the household
- Be situated in a suitable 'public' living area within the home with an appropriate background – 'private' living areas within the home, such as bedrooms, are not permitted during video communication
- Use appropriate language – this includes others in the household
- Maintain the standard of behaviour expected in school
- Use the necessary equipment and computer programs as intended
- Not record, store, or distribute video material without permission
- Ensure they have a stable connection to avoid disruption to lessons
- Always remain aware that they are visible.

All staff and pupils using audio communication must: -

- Use appropriate language – this includes others in the household
- Maintain the standard of behaviour expected in school
- Use the necessary equipment and computer programs as intended
- Not record, store, or distribute audio material without permission
- Ensure they have a stable connection to avoid disruption to lessons
- Always remain aware that they can be heard.

The school will consider whether one-to-one sessions are appropriate in some circumstances, eg: to provide support for pupils with SEND. This will be decided and approved by the SLT, in collaboration with the SENCo.

Pupils not using devices or software as intended will be disciplined in line with the Behaviour Policy.

The school will risk assess the technology used for remote learning prior to use and ensure that there are no privacy issues or scope for inappropriate use.

The school will consult with parents at least two weeks prior to the period of remote learning about what methods of delivering remote teaching are most suitable – alternate arrangements will be made where necessary.

The school will ensure that all school-owned equipment and technology used for remote learning has suitable anti-virus software installed, can establish secure connections, can recover lost work and allows for audio and visual material to be recorded or downloaded, where required.

The school will communicate to parents via letter about any precautionary measures that need to be put in place if their child is learning remotely using their own/family-owned equipment and technology, eg: ensuring that their internet connection is secure.

During the period of remote learning, the school will maintain regular contact with parents to: -

- Reinforce the importance of children staying safe online
- Ensure parents are aware of what their children are being asked to do, eg: sites they have been asked to use and staff they will interact with
- Encourage them to set age-appropriate parental controls on devices and internet filters to block malicious websites
- Direct parents to useful resources to help them keep their children safe online.

The school will not be responsible for providing access to the internet off the school premises and will not be responsible for providing online safety software, eg: anti-virus software on devices not owned by the school.

## 5. **Safeguarding**

This section of the policy will be enacted in conjunction with the school's Whole School Safeguarding Policy which has been updated to include safeguarding procedures in relation to remote working.

The DSL and Head of School will identify 'vulnerable' pupils (pupils who are deemed to be vulnerable or are at risk of harm) via risk assessment prior to the period of remote learning.

The DSL will arrange for regular contact to be made with vulnerable pupils prior to the period of remote learning.

Phone calls made to vulnerable pupils will be made using school phones where possible.

The DSL will arrange for regular contact with vulnerable pupils once per week at minimum.

All contact with vulnerable pupils will be recorded on CPOMS.

The DSL will keep in contact with vulnerable pupils' social workers or other care professionals during the period of remote working as required.

Vulnerable pupils will be provided with a means of contacting the DSL, their deputy or any other relevant member of staff – this arrangement will be set up by the DSL prior to the period of remote learning.

All members of staff will report any safeguarding concerns to the DSL immediately.

Pupils and their parents will be encouraged to contact the DSL if they wish to report safeguarding concerns, eg: regarding harmful or upsetting content or incidents of online bullying. The school will also signpost families to the practical support that is available for reporting these concerns.

## 6. **Data protection**

This section of the policy will be enacted in conjunction with the school's Data Protection Policy.

Staff members will be responsible for adhering to the GDPR when teaching remotely and will ensure the confidentiality and integrity of their devices at all times.

Sensitive data will only be transferred between devices if it is necessary to do so for the purpose of remote learning and teaching.

Any data that is transferred between devices will be suitably encrypted or have other data protection measures in place so that if, the data is lost, stolen, or subject to unauthorized access, it remains safe until recovered.

Parents' and pupils' up-to-date contact details will be collected prior to the period of remote learning.

All contact details will be stored in line with the Data Protection Policy and retained in line with the Records Management Data Retention Policy.

The school will not permit paper copies of contact details to be taken off the school premises.

Staff are not permitted to let their family members or friends use any school-owned equipment which contains personal data.

Any breach of confidentiality will be dealt with in accordance with the school's GDPR policy.

Any intentional breach of confidentiality will be dealt with in accordance with the school's Behaviour for Learning and Conduct Policy and Disciplinary Policy and Procedure.

## 7. **Marking and feedback**

All schoolwork completed through remote learning must be: -

- Returned to the relevant member of teaching staff when finished
- Returned on or before the deadline set by the relevant member of teaching staff
- Completed to the best of the pupil's ability
- The pupil's own work
- Marked in line with the Marking and Feedback Policy
- Returned to the pupil, once marked

## 8. **Health and safety**

This section of the policy will be enacted in conjunction with the school's Health and Safety Policy.

Teaching staff and TAs will ensure pupils are shown how to use the necessary equipment and technology safely and correctly prior to the period of remote learning.

If using electronic devices during remote learning, pupils will be encouraged to take regular breaks from the screen.

If any incidents or near-misses occur in a pupil's home, they or their parents are required to report these to the Health and Safety Committee or other relevant member of staff immediately so that appropriate action can be taken.

## 9. **School day and absence**

In the event of scheduled sessions, pupils will be present for remote learning by 9:00a.m. and cease their remote learning at 3:00p.m. from Monday to Friday, with the exception of breaks and lunchtimes, as outlined in paragraph 9.

- Morning break will take place between 10:30a.m. and 10:45 a.m.
- Lunchtime will take place between 12:00p.m. and 1:00 p.m.

Pupils with SEND or additional medical conditions who require more regular breaks, eg: sensory breaks, are not expected to do schoolwork during their breaks.

Pupils who are unwell are not expected to be present for remote working until they are well enough to do so.

Parents will inform the school office if their child is unwell and therefore unable to take part in remote learning.

The school will monitor absence and lateness in line with the Attendance and Punctuality Policy.

#### 10. **Communication**

The school will ensure adequate channels of communication are arranged in the event of an emergency.

The school will communicate with parents via Arbor and the school website about remote learning arrangements as soon as possible.

The Head of School will communicate with staff as soon as possible via e-mail / Teams about any remote learning arrangements.

Members of staff involved in remote teaching will ensure they have a working mobile device that is available to take phone calls during their agreed working hours.

The school understands that pupils learning remotely have the right to privacy out-of-hours and should be able to separate their school and home lives – communication is only permitted during school hours.

The school understands that staff working from home have the right to privacy out-of-hours and should be able to separate their work and home lives – communication is only permitted during school hours.

Members of staff will have regular contact with their line manager.

As much as possible, all communication with pupils and their parents will take place within the school hours outlined in section 9.

Pupils will have verbal contact with a member of teaching staff at least once per week via Teams.

Parents and pupils will inform the relevant member of staff as soon as possible if schoolwork cannot be completed.

Issues with remote learning or data protection will be communicated to the pupil's teacher as soon as possible so they can investigate and resolve the issue.

The pupil's teacher will keep parents and pupils informed of any changes to the remote learning arrangements or the schoolwork set.

The Head of School will review the effectiveness of communication and ensure measures are put in place to address gaps or weaknesses in communication.

## 11. **Monitoring and review**

This policy will be reviewed on an annual basis by the Leadership Team.

Any changes to this policy will be communicated to all members of staff and other stakeholders.
