This Week at Deanwood

Another busy week at Deanwood! Our Year R children continue to settle really well into school life and our new starters in Nursery are also doing really well and building good relationships with their adults. This has been lovely to see! Mrs Fuller's lunchtime "Quiet Club" continues to be very popular - we have lots of children who are really enjoying having the opportunity to relax with arts and crafts. We are really grateful to Mrs Payne and Mrs Daffin who have donated lots of equipment to Mrs Fuller to use in her Quiet Club. Mrs Fuller is always open to donations that you might have of arts and crafts equipment - just contact her via the school office. Miss Rumjaun worked with our Year 4 children on Wednesday afternoon on their times tables in preparation for their Multiplication Tables Check at the end of the year. There were some really pleasing scores! Well done!

Hello From Our Principal

Lunchtimes have been my favourite time of this week. I never cease to be amazed by the children's creativity with the loose parts on the field. I have seen some fantastic den building with children trying really hard to make their dens as stable and secure as possible. I have also seen children persevering when things have got hard - Carter in Year 2 was determined to perfect his travelling skills on one of the yellow tubes and was not going to give up until he could roll without falling. That was great to see! This week, Molly from Year 4 came to tell me all about the Outstanding Progress Award that she received from Razzamataz and Phoebe from Year 3 loved telling me about her gymnastics success. Well done!

Attendance data

Whole School

The government's expectation is for all children to attend school at least 95% of the time. This week, our whole school data is below this expectation.

Year 6

Classroom Spotlight

Nursery

Over the past couple of weeks, the children have settled really well into Nursery. It has been lovely to welcome both our new children and those returning to the setting. We are so pleased with how confidently everyone is finding their feet. It has been especially lovely to see new friendships beginning to form with the children starting to play, explore and enjoy their time together.

The children have also been enjoying our new outside space. The new flooring has been a lovely addition to the outdoor area and has created an exciting new factor for the children to explore. They have particularly enjoyed spending time outside, racing around on their balance bikes and challenging themselves as they tackle the obstacle course. It has been wonderful to see their enthusiasm, confidence and enjoyment as they explore their surroundings and make the most of the opportunities available to them.

We are looking forward to creating more adventures with the children and are excited to see how the children develop over the coming months.

Safeguarding

If you are worried about a child's safety or well-being, please report your concern to our safeguarding team immediately.

Designated
Safeguarding
Lead (DSL) is
Mrs J Wright
